

SKYLINE
INTERNATIONAL GROUP LIMITED

DIRECTOR'S GROUP PROFILE ***MR. NITIN ANAND***

Nitin Anand was born on 23rd July 1980 in India. He earned a post-graduate degree in Business Administration from National American University.

He is currently the Vice Chairman & Board Member of Skyline University College (SUC) and other company within the Group. He has been involved with SUC since he graduated. He has provided his expertise and utmost dedication for the smooth operations of the organization for the last 18 years and successfully contributed in implementation of key strategies to the growth and success of SUC. For these, at a very young age, he has gained the respect and renown not only from the higher and school level education sector but also to the business world here and abroad. Similarly, he has also involved in Real Estate venture locally & internationally.

He is also involved in **Skyline International Group Limited** as a Group Director and **Skyline Group of Companies Limited** as a Managing Director which operates in various education, real estate, consultancy and industries activities in Middle East, India, Africa, US & Canada. He has been instrumental in the diversification of the group into manufacturing industry and F & B sector and now expanding its group interest in education in Asia & Africa specifically in Nigeria, Ghana, Tanzania and Rwanda and various real estate projects in US & Canada. The group under his directives has initiated projects in various countries in different areas.

The Group is currently expanding its operations in Africa region. Our first university project in Nigeria, Skyline University Nigeria (SUN), the first Private University in the state of Kano, has obtained full university status from National Universities Commission (NUC) Nigeria on 10th May 2018 and started its official operation on 19th July 2018. First batch commenced on 8th October 2018 for Academic Year 2018-2019. During the last quarter of 2019, the Group moved forward and acquired rights to establish **Pizza Hut as Franchisee** in Nigeria under the Skyline International Tourism & Hospitality sector of Skyline Group of Companies in Nigeria. The first 2 flagship stores planned in the prominent places of Abuja and Kano respectively and targeted to start its operation by end of 2019. By 2020, 2 outlets are planned to set-up in central location of Abuja & Kano additionally by end of 4th quarter of 2020, 2 outlets in new market will be also explored as planned.

The following are the Group's future projects in Nigeria as per the 5-year strategic plan:

- Education sector: School in Abuja with international curriculum
- Hospitality sector: The group has already acquired land for 5 star hotel and wellness resort in various part of Nigeria
- F & B sector: The group is already focusing on bringing international F & B chain as well as setting up their own brand in high end restaurants.
- Health care sector: On the later part of 5 year strategic plan, the group intend to open state of the art hospital as well as chain that will be linked to the medical school at the university

He is a member of various social and business clubs in UAE such as the Young President Organization (YPO), Business Leaders Forum (BLF), Indian Business & Professional Council (IBPC) Dubai, India Club UAE, The Indus Entrepreneurs (TIE) Dubai and other major business councils in UAE.
